

**DIRECCION NACIONAL**

División Gestión Estratégica

RGJ/MS/RPS/aps N° int. J 76343 -

00702013

Carta N° 080137

Santiago, 26 DIC 2013

SEÑOR

**PRESENTE**

**Estimado señor:**

Mediante la presente, comunico a usted que hemos recibido su petición en el marco de la Ley N° 20.285 de Transparencia de la Función Pública y Acceso a la Información, en la que solicita: *"Monto invertido en PRODESAL en las provincias de Chile durante el periodo 2009-2013. ¿Como han medido el porcentaje de éxito en estos proyectos?"*.

Al respecto, adjuntamos los montos invertidos en Prodesal desde el 2009 al 2013 en: asesoría técnica, inversiones y capital de trabajo. No tenemos registro de la información por provincia, sino que por región, agencia de área y comuna. Los datos de capital de trabajo se incorporaron desde el año 2011, por lo tanto sólo aparece desde esa fecha en adelante. Los montos de 2013 corresponden a los ejecutados a la fecha.

El éxito de Programa es evaluado en cada uno de los componentes: en el componente de asesoría técnica, las agencias de área realizan evaluaciones de desempeño para identificar la correcta implementación. En el componente de inversiones se verifica la pertinencia y una vez aprobada, se asignan los recursos a cada proyecto, conjuntamente el monto aprobado se entrega cuando ya se ha realizado la inversión o la compra de maquinaria. El capital de trabajo tiene un tope de 4,5 UF, y es utilizado para la compra de insumos y/o bienes menores que permitan desarrollar la actividad agrícola a los agricultores más vulnerables, éste se verifica mediante la rendición del uso de los recursos.

Lo saluda atentamente,

**RAFAEL GOLDSACK JARPA**  
**DIRECTOR NACIONAL (S)**
